

9th Iranian Joint Congress on Fuzzy and Intelligent Systems (CFIS2022)

March 2-4, 2022, Higher Education Complex of Bam

Recommender: Hassan Mishmast Nehi

E-mail: hmnehi@hamoon.usb.ac.ir

Title of specialized session: Optimization

Abstract:

In this session, the articles that have been used in terms of theory and application of fuzzy and intelligent systems in various optimization issues, including linear programming and nonlinear programming, will be reviewed and accepted.

Key Words: Fuzzy linear programming, Heuristic algorithms, Non-linear programming, Fuzzy optimization
